"The iMARC tags have been a great P.O.S. item. We used to have to send away for tags. Many customers don't want to wait for their tags to be mailed back to them, they want them now. The iMARC tags have given us a better way to satisfy our customers' needs."

- Jennifer Bowman, Complete Petmart #32 (Ft. Wright, KY)

Tools

"The iMARC engraving machine has been a great asset to our store. Our customers enjoy the convenience of getting their tags while they wait rather than waiting to get them in the mail. Our tag sales have more than tripled since we purchased the machine."

- Tim Eplion, Complete Petmart #90 (Huntington, WV)

"Our clients are very pleased with the personalized rabies tag, our clinic staff appreciates not needing to look up tag numbers on lost dogs, and the tags provide a nice revenue source."

- John T. Haugo, DVM,
Haugo Vet Clinic
(Litchfield, MN)

"Very impressed with the iMARC engraving system. Sold 104 tags in the first 3 1/2 weeks. Well worth the investment."

- Mark Gray, Elliot's For Pets
(Riverside, CA)

"Very user-friendly, all the sales staff can operate the machine. Great and easy add-on at the time of checkout, wish we did this years ago."

- Stan Kolbus, S & W
Feed & Supply (Carson
City, NV)

"I have found the iMARC engraving system to be truly a lifesaver. We sell tags to all of our adoptive homes and we have been able to return many lost pets to their homes."

- Linda Willman, Lakeshore Humane Society (Manitowoc, WI)

"We used to send our tags out to be made and ran into problems with clients never receiving them so we purchased your machine. Not only was it fast and easy but our tag sales tripled in just a month."

- Monica Leighton, Jacaranda Animal Hospital (Verio, FL)

"I didn't realized that making and selling custom engraved pet tags would be so easy."

- Carney Walden, Southside Farm Supply (Plant City, FL)
