ENGRAVING SYSTEMS

Ultimate Pet Tag Engraver

iMARC Engraving Systems is a division of Western Engraving Supply, Inc., the largest manufacturer of computerized engraving systems in North America. For the past 30 years, WES has earned a solid reputation for building high-quality, long-lasting engraving machines. iMARC was developed with this need in mind. This affordable, compact machine requires absolutely NO training to operate. With an iMARC, pet shops, vet clinics, equestrian retailers, and other businesses, can offer instant personalized ID tags and plates to their customers while generating extra revenue!

User-Friendly

- Large high-resolution tilting display
- Engrave quickly and easily
- Tag Counter — Keep track of how many tags and what styles were sold
- Easy to operate — No training required!
- Compact machine that fits on most countertops — 13.5" x 14.5" x 15.5"

Multiple Design Options

- Change letter size & style for single or multiple lines of text
- Preview tag before you engrave
- Engrave on both sides of tag

High-Quality Tags

- Over 1,800 varieties of tags and plates made of durable anodized aluminum, chrome plated brass, and brass.
- Includes tag holders

Language Capabilities

- Change language with just a keystroke
- Engrave upper or lowercase and International languages

Optional Features

- Engrave your company logo
- Engrave on Coastal Buckles
- Engrave on custom Signature Series tags

The iMARC Pet Tag Engraver Features

“ We used to send our tags out to be made and ran into problems with clients never receiving them so we purchased your machine. Not only was it fast and easy but our tag sales tripled in just a month. ”

Monica Leighton, Jacaranda Animal Hospital (Verio, FL)

“ Best investment I ever made for my business— my tag sales quadrupled! ”

Bill Trufant, B&B Pet Stop (Mobile, AL)

“ The iMARC engraving machine has been a great asset to our store. Our customers enjoy the convenience of getting their tags while they wait rather than waiting to get them in the mail. Our tag sales have more than tripled since we purchased the machine. ”

Tim Epillion, Complete Petmart #90 (Huntington, WV)

Each iMARC Includes:

- 300 assortment of tags or plates in your choice of colors & styles
- Two multi-tag holders (Holds 15 tags tips)
- Heavy-duty hardware to fasten your tags
- Point-of-purchase materials
- User-friendly manual
- One Year Warranty (renewable)
